More often than not, you can't use a Roblox account generator through any legitimate means. Though they may appear on sites like Reddit, to actually get the account, you'll need to join closed Discord servers, and download specific software that isn't verified by the game's developers. Therefore, you're taking a huge risk with your device's security by downloading them, as they could contain anything from viruses to spyware. They're also pretty unreliable. If you go to the trouble of downloading one, it might not even work.
